

# Specification Sheet

## Monarch Mat, Gray

**Model Number:** MONARCH-G

### FEATURES

- Provides comfort, support and pressure relief while sitting and standing
- Unique design allows the user's chair to easily roll back and forth
- Lightweight and portable at 8 lbs.
- Passes rigorous durability tests by withstanding 154 lbs. rolled on its surface for up to 30,000 cycles
- Try without shoes for increased comfort and cooling thermal regulation
- Underside grip prevents sliding during use

### SPECIFICATIONS

- Product Weight: 8 lbs.
- Product Size: 20" H x 29" W x 0.8" D
- Product Colors: Black or Gray
- Product Materials: Polyurethane/Gel
- Warranty: 3 years

### SUSTAINABILITY

The Monarch Mat uses non-toxic polyurethane gel without plasticizers — the same sustainable technology found in Humanscale's gel cushions, palm supports and armrests. It is non-toxic, odorless and resists hardening or softening due to temperature or age — increasing the mat's longevity.
